

Kelly Clarkson, Save You

I can tell,
I can tell,
How much you hate this.
Deep down inside,
You know it's killing me.
I can call, wish you well,
And try to change this.
But nothing I can say,
Would change anything.
Where were my senses?
I left them all behind.
Why did I turn away?
I wish I could save you.
I wish I could say to you,
I'm not going nowhere.
I wish I could say to you,
It's gonna be alright.
I didn't mean,
Didn't mean,
To leave you stranded.
Went away cause I,
Didn't want to face the truth.
Reaching out,
Reach for me,
Empty handed.
You don't know if I care.
You're trying to find the proof.
There were times I'd wonder,
Could I have eased your pain?
Why did I turn away?
We can pretend nothings changed.
Pretend it's all the same.
And there will be no pain,
Tonight.
It's gonna be alright.
