You know my soul  
you know everything about me there's to know  
you know my heart  
how to make me stop & how to make me go  
you should know i love everything  
about you don't you know

that i'm thankful  
for the blessing  
and the lessons that i've learned w/you  
by my side  
that i'm thankful so thankful for the love  
that you keep bringing in my life  
in my life  
Thankful so thankful

You know my thoughts  
before i open up my mouth & try to speak  
you know my dreams

for the trouble i've known  
for the heartache & pain  
that you've thrown my way

but you made me feel strong  
with you I am never alone
