

Kelly Clarkson, To Make You Feel My Love

When the rain is blowing in your face
And the whole world is on your case
I would offer you a warm embrace
To make you feel my love
When evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love
I know you haven't made your mind up yet
I would never do you wrong
I've known it from the moment that we met
There's no doubt in my mind where you belong
I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothing that I wouldn't do
To make you feel my love
Oohhhh ohhohh
The storms of rage are rolling wild and free
Down that highway of regret
The wind of change is blowing wild and free
But you aint seen nothing like me yet
There aint nothing that I wouldn't do
Go to the end of the earth for you
Make you happy make your dreams come true
To make you feel my love
To make you feel my love
