

Kelly Clarkson, Walk On By

ooohoo

if you see me walking down the street and I start to cry
each time we meet

walk on by...boy walk on by

make believe that you don't see the tears just let me grieve
in private cuz each time I see you

I break down and cry

boy walk on by

I just can't get over losing you and so if I seem broken and blue

walk on by

boy walk on by

foolish pride is all that I can feel so let me hide

the tears and the sadness you gave me when you said goodbye

boy walk on by

oooh ooh yea make believe that you don't see the tears honey

let me grieve in private cuz each time I see you I just break down

and cry ooh oh

just walk on by

walk on walk on

oooh ooh boy walk on by
