

# Kelly Clarkson, Why You Wanna Bring Me Down

This situation, if it gets any deeper could be critical

I'm not your love monkey so be taking back all the lies you sold

What did you want me to be?

It's just too much now so tell me so tell me so tell me one two three four

[Chorus]

So what's your evil attitude when you got me spending my time pleasing you?

Why must you keep me underground?

Tell me tell me, why you wanna bring me down?

Is it too much to give a damn when I'm giving you one hundred and ten?

Don't blink cause I won't be around, tell me tell me, why you wanna bring me down?

Now your transmission is on the negative, you're on a losing streak

This information is getting ordinary and you're losing me

What's with your hostility when the lie's on me?

Well you're down to the last chance so tell me so tell me uno dos tres cuatro

[Chorus]

I don't think you ever gave damn

In fact I know it

I can't take it no more

Was it all just a waste of time?

I don't wanna spend my whole life thinking bout it

Baby this is where I draw the line, I think I'm done

[Chorus]
