

# Kelly Family, Angels Flying

I can't hold my tears now  
I can't hold them back  
maybe she'll come back  
Come back to me

Those beautiful eyes  
Those beautiful smiles  
They're like sugar and honey  
I was wrong she was right  
You are an angel  
You are an angel

Chorus:  
If you see, Angels Flying  
Wave goodbye  
If you see, If you see, Angels Flying  
Wave goodbye

Can't hold my tears back  
We're too far apart  
maybe she'll come back  
come back to me  
Those beautiful eyes  
Those beautiful smiles  
They're like sugar and candy  
I was lost now I'm found  
Please forgive me  
You are an Angel

Chorus(5x)
