## Kelly Family, Dance to the rock'n roll

| Everybody get into | the mood forget | your troubles for | a little while all | together let me s | see you move |
|--------------------|-----------------|-------------------|--------------------|-------------------|--------------|
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
|                    |                 |                   |                    |                   |              |
