

Kelly Family, I'm So Happy

I'm flying, dancing, I'm having some fun
I empty'd a bottle, I'm feeling so young
My baby she threw me out of the home
Oh home, out of the home

I'm so happy I'm so happy
I ain't got a dime but I'm happy
I'm so happy I'm so happy
Got holes in my shoes but I'm happy

I needed some action, I wen't in to town
I cought up with people, just hangin' around
I told them my story, they'd heard it before
Oh oh, they'd heard it before

I'm so happy...

I can't believe it, she just threw me out
But do you know what? I'm happy

I'm so happy...

Do you what? I'm happy

I'm so happy

I'm so happy I'm so happy
I've lost all I've got, but I'm happy
I'm so happy I'm so happy
They stole all my clothes but I'm happy,
But I'm happy
