

# Kelly Family, I Wanna Kiss You

Woke up this morning and I put on my Shoes  
Fixed up my hair an then I put on my Rouge  
Hopped out my window into your brand New car  
Something's happening between  
You and I  
Something's going on deep down inside

We're going dancing baby all through The night  
My heart is beating can't be wrong  
It feels right  
I know for sure that it was love at  
First sight  
Something's happening between you and I  
Something's going on deep down inside

I wanna kiss you but I'm afraid  
I wanna touch you but I'm afraid  
Daddy's gonna get mad I don't wanna lose you  
I wanna kiss you but I'm afraid  
I wanna touch you but I'm afraid  
Daddy's gonna get mad I don't wanna lose you

Last night I dreamed that we were  
Running away  
The same old story and babe the same Old game  
But I know honey this time it's not the Same  
Something's happening between you and I  
Something's going on deep down inside

I wanna kiss you but I'm afraid '

I guess I'm too romantic for you babe  
I guess I'm too romantic for you babe  
I'd sail across the Atlantic for you babe  
I'd sail across the Atlantic for you babe

I wanna kiss you but I'm afraid '
