

Kelly Family, Key To My Heart

There's a part of my heart
Wide and open for you
The key to my heart
It could be you
And if you got the key to my heart
You got to unlock the door
And to unlock the door
You got to find the right floor

Chorus:
You can try, You can try
To get to my heart
You can try, You can try
To find the right floor

Go ahead and dream
Dream as far as you want
The key to my heart
Is not a dream come true

Chorus:

If you happen to try
You could do fine
But if you happen to fly
Don't fall and cry

Please don't cry, Please don't cry
You're breaking my heart
Please don't cry, Please don't cry
You're breaking my heart

Chorus:
