

Kelly Family, Maximum

Maximum, maximum, power on my side
But it's minimum, minimum without you
Maximum, maximum, power on my side
But it's minimum, minimum without you

It's my therapy you can never understand
What it means to me I'm an Ironman
It's my therapy it's a battle inside of me
It's a battle I fight for my family

Maximum, maximum, power on my side
But it's minimum, minimum without you
Maximum, maximum, power on my side
But it's minimum, minimum without you

It's my therapy it's my way of curing me
It's my recipe for my liberty
It's my therapy it's too hard to understand
What I'm going throu' I'm a happy man

Maximum, maximum, power on my side
But it's minimum, minimum without you
Maximum, maximum, power on my side
But it's minimum, minimum without you

Maximum, maximum, power on my side
But it's minimum, minimum without you
Maximum, maximum, power on my side
But it's minimum, minimum without you

But it's minimum, minimum without you
