

# Kelly Family, Oh It Hurts

I look around me  
I'm not the only  
Hungry for the love  
My heart needs to find  
But I've learned now  
You have to want to  
Find yourself inside to carry on

CHORUS:

Oh it hurts to love sometimes  
Oh it hurts to love someone  
Yes it hurts to lose sometimes  
Oh it hurts to lose someone

So many hearts are broken  
So unnecessarily  
And I'm afraid to fail  
Again and again  
I keep on searching  
And I keep on fighting, babe  
To learn to love myself  
Like a child

CHORUS

I'm gonna scream my pain out loud  
I'm gonna run  
I'm gonna free myself and fly  
Just like a baby bird's first flight  
I will fall  
But I'll pick myself up  
And head to the sky

CHORUS

It's all inside of you  
It's all inside of me  
It's all inside of everything  
You will see
