

Kelly Family, Streets Of Love

Walk with style fake that smile
Everybody's feeling happy
Think champagne drink propain
The white guys think they own the world now
Buy my face buy my life everybody's selling
bullshit
Your big fat tie don't make me shy
Listen buddy
Take it easy

Streets of love everybody needs some lovin' Streets of love
There's more to life than your big brains boy yeah
Streets of love
Everybody's got a toilet
Streets of love everybody needs somebody

I don't know Angelo
I don't see what you see

Feel that scream don't live no dream
Life is real it ain't no TV
Cool man cries cool heart dies
Everybody's like a baby
Look that child he gives that smile
Take me there where I can love you
Rise and shine don't you hide
Everybody come together

Streets of love everybody bla bla bla bla
Streets of love that's the road that I've been searching yeah
Streets of love everybody's got a monkey
Streets of love everybody needs somebody yeah

Dit moi quel est ton amour
Et je te dire qui tu es

Streets of love everybody Bla bla bla
Streets of love
There's more to life then your big brains boy yeah
Streets of love everybody's got a toilet
Streets of love listen buddy take it easy
Streets of love everybody needs somebody yeah
Streets of love 'cause we was made for lovin' buddy
Streets of love
Everybody la la la la
Streets of love everybody take it easy yeah
