

Kelly Family, We're Winning Mom

Yes, we're winning, Mom
You and we sit down
Lights are shining near
Lights shine for you, dear
Your dreams all come true
Your dreams are ours, too
The clouds are gone away
The sun is shining through
Do you like our super job?
We can fulfill your wish

Baby's on the way
We and you will dream
There's no selfish mothers
Selfishness's not for mothers
Baby's on the way
As your dearest wish
The clouds are gone away
The sun is shining through
Do you like our super job?
We can fulfill your wish

Yes, we're winning Mom
And we're winning strong
Do you like our super job?
Yes we're winning, Mom

Yes we're winning, Mama
And we're winning strong
