

# Kelly Family, Why Don't You Go

The love we had was so nice  
I feel so terribly sorry  
And now I'm paying the price  
I'm just so terribly sorry  
Why does it hurt me so bad  
I only learn when I'm burning  
And now it's making me sad  
'Cause I know you're not returning

CHORUS:

Why don't you go  
Why don't you go  
If you have to live your life  
I'll let you go  
I'll let you go  
If you have to live your life

Look how far we have come  
It all seems so unnecessary  
Before the pain there was fun  
And there was nothing to worry  
Some things are hard to understand  
The reasons for your departure  
With no destination no plan  
But I know if you'd stayed it' be harder  
All right now

CHORUS

Dogs bark louder  
Trees grow stronger  
When there's peace at mind... oh  
The ocean waters will be calmer now  
Just look how far we have come  
I feel so terribly sorry  
I put it down on a song  
So I can erase the memories  
Everybody now

CHORUS

The ocean waters will be calmer now
