

# Kelly Family, Wish I Were A Swallow

You're so far away  
Why couldn't you stay  
'Cause I need you now  
But I hold on to you  
'Cause I feel that it's true  
Do you feel it too  
Tell me baby tell me why

Chorus:

I wish I were a swallow  
Then I'd fly to you  
I wish I were a swallow  
Then I'd be with you

I'd watch you all day  
And at night when you pray  
I'd pray with you  
And in the morning  
You'd wake  
As I'd sing you a tune  
Then you'd see me too  
Oh I'm only dreaming, why

Chorus:

I wish I were a swallow  
Then I'd fly to you  
I wish I were a swallow  
Then I'd be with you

I'm your dream  
Don't be shy  
Spread your wings  
Then you'll fly

But I'll wait for the day  
When you come back to stay  
'Cause I need you babe  
See me crying, why

Chorus 2x:

I wish I were a swallow  
Then I'd fly to you  
I wish I were a swallow  
Then I'd be with you
