

Kelly Marie, It Feels Like I'm In Love

It Feels Like I'm In Love
(center text)

My head is in a spin
My feet don't touch the ground.
Because your near to me
my head goes round and round.
My knees are shaking, baby
my heart it beats like a drum.

It feels like...
it feels like I'm in love.

Ain't felt this way before
but I know I'm turned on.
This time it's something baby,
I can't turn off.
My knees are shaking, baby
my heart beats like a drum.

It feels like...
it feels like I'm in love.

My knees shake,
my heart beats like a drum.

Oh...

It feels like...
it feels like I'm in love.

My knees shake,
my heart beats like a drum.

Oh baby (3X)
oh...

My head is in a spin,
my feet don't touch the ground.
Because your near to me
my head goes round and round.
My knees are shaking, baby
my heart it beats like a drum.

It feels like...
it feels like I'm in love.

My knees shake,
my heart beats like a drum.

Oh...
Oh Baby (2x)
