

# Kelly Osbourne, Secret Lover

Who are you talkin' to baby  
It's been a long, long while  
And was she worth it though baby  
She don't got my style  
Where you going to lover  
And is she going with you  
Everybody's been clued in  
They know what you do

Wa-oh everybody wants to take a ride  
Wa-oh but it seems sometimes you're on  
My mind

Secret lover, boy, my secret lover boy  
Secret lover, boy, my secret lover

Where you runnin' to honey  
I think i'd like to know  
Did you see yourself baby  
On my tv show  
Did i embarrass you honey  
You where my john doe  
It doesn't seem like you loved me  
And i don't care to know

Wa-oh everybody wants to take a ride  
Wa-oh but it seems sometimes you're on  
My mind

Secret lover, boy, my secret lover boy  
Secret lover, boy, my secret lover

I want the world  
I want the whole world  
I want to lock it up all in my pocket  
It's my bar of chocolate  
Secret lover, boy, my secret lover boy  
Secret lover, boy, my secret lover  
Secret lover, boy, my secret lover boy  
Secret lover, boy, my secret lover, boy
