

Kelly Osbourne, Too Much Of You

What can I say
You got me good
Swallowed me up
Spit me out
Got me hooked

What can I do
But play the fool
And wait around for you to come
You never do

So I'll sit for days
Imagining the different ways

'Cause I love it in the morning
It's like a new day dawning
Every time baby
Too much of you is not enough
I want it in the evening
You give a whole new meaning
I can't lie baby
Too much of you is not enough
Too much of you is not enough

I catch my breath
At it again
You swirl around in my head
I never win

You're everything
I didn't need
The doctor says I'll forget
With two of these

All these wasted days
Can't keep myself away from me

'Cause I love it in the morning
It's like a new day dawning
Every time baby
Too much of you is not enough
I want it in the evening
You give a whole new meaning
I can't lie baby
Too much of you is not enough
Too much of you is not enough

Na na na na na
Na na na na na NA HEY
Na na na na na
Na na na na na NA HEY

'Cause I love it in the morning
It's like a new day dawning
Every time baby
Too much of you is not enough
I want it in the evening
You give a whole new meaning
I can't lie baby
Too much of you is not enough
Too much of you is not enough
