

Kelly Price, Again

[Verse I]

Sorry I Never Meant To Hurt You
You Know I Really Love You And
If You Give Me One More Chance I'll
Prove It To You
Stop! Cuz I Don't Wanna Hear It
Please Don't Say Your Same Old Speech
Another Time. I Think I Have It
Memorized.

[Hook]

Again---Boy You Lied To Me
Again---And You're Hurting Me Again
I've Made Up My Mind And I Won't Take You
Back This Time
Again Don't Start Calling Me
Again No Apologies Again
I Won't Change My Mind
I Won't Take You Back This Time.

[Verse II]

I'm Sorry; Those Words For You Are Easy.
You Think That They Appease Me But I Know Now
They're Just Two Words You Use To Play Me.
Stop! Cuz I Will Not Believe It. This Time I'm
Leaving All The Hurt And Pain Behind So
I Can Just Be Happy Once Again

[Bridge]

Happy Once Again
This Time I Will Find Someone To Love Me
And Find Someone To Really Be My Friend
Happy Once Again
Never Will I Let Another Hurt Me
Like You Hurt Me So---Again
