

Kelly Rowland, Against all odds

How can I just let you walk away
Just let you leave without a trace
When I stand here taking
Every breath with you
You're the only one
Who really knew me at all
How can you just walk away from me
When all I can do is watch you leave
'Cause we've shared the laughter and the pain
And even shared the tears
You're the only one
Who really knew me at all
So take a look at me now
Cause theres just an empty space
And theres nothing left here to
Remind me
Just a memory of your face
So take a look at me now
'Cause theres just an empty space
And you coming back to me is against
all odds
And thats what I've got to face
I wish I could just make you turn around
Turn around and see me cry
Theres so much I need to say to you
So many reasons why
You're the only one
Who really knew me at all
So take a look at me now
'Cause theres just an empty space
And there nothing left here to remind me
Just the memory of your face
Take a look at me now
'Cause theres just an empty space
But to wait for you is
All I can do
And thats what I've got to face
Take a good look at me now
'Cause I'll still be standing here
And you coming back to me is against all odds
Thats the chance I've got to take
Take a look at me now.
Take a look at me now.
