Kelly Rowland, Againist all odds

How can I just let you walk away Just let you leave without a trace When I stand here taking

Every breath with you

You're the only one

Who really knew me at all

How can you just walk away from me

When all I can do is watch you leave

'Cause we've shared the laughter and the pain

And even shared the tears

You're the only one

Who really knew me at all

So take a look at me now

Cause theres just an empty space

And theres nothing left here to

Remind me

Just a memory of your face

So take a look at me now

'Cause theres just an empty space

And you coming back to me is against

all odds

And thats what I've got to face

I wish I could just make you turn around

Turn around and see me cry

Theres so much I need to say to you

So many reasons why

You're the only one

Who really knew me at all

So take a look at me now

'Cause theres just an empty space

And there nothing left here to remind me

Just the memory of your face

Take a look at me now

'Cause theres just an empty space

But to wait for you is

All I can do

And thats what I've got to face

Take a good look at me now

'Cause I'll still be standing here

And you coming back to me is against all odds

Thats the chance I've got to take

Take a look at me now.

Take a look at me now.
