

# Kelly Rowland, Complicated (Acoustic Version)

Chill out whatcha yelling for  
lay back it's all been done before  
And if you could only let it be you would see  
I like you the way you are  
when we're driving in your car  
and you're talking to me one on one but you become

Somebody else  
'round everyone else  
watching your back  
like you can't relax  
you're trying to be cool  
you look like a fool to me  
tell me

why do you have to go and make things so complicated  
I see the way you're acting like you're somebody else get's me frustrated  
life's like this you  
you fall and you crawl and you break and you take what you get and you turn it into  
honesty and promise me i'm never gonna find you fake it  
no no no...

you come over unannounced  
dressed up like you're something else  
where you are and where it's that you see you're making me  
laugh out when you strike a pose take off all your preppy clothes  
you know you're not fooling anyone when you've become

somebody else  
round everyone else  
watching your back  
like you can't relax  
you're trying to be cool  
you look like a fool to me  
tell me

why do you have to go and make things so complicated
