Kelly Rowland, Love/Hate

(see i love to love you boy,
And i love to hate you
See i love to love you boy,
Snd i love to hate you,
But i got to let you know)

I am so in love
I am so in hate
I just can't comprehend it
You get me so high
You get me so low
I can't show what i'm feelin
Never was the type
To let someone like
You get up under my skin
Tried like hell
But you didn't care for real
You stepped on my feelings

CHORUS
See I love to love you boy(yes i do)
And I love to hate you(hate you.....)
But I got to let you know(yeah)
I'm a have to let you go(let you go)
See I love to love you boy(see I love to love you boy)
And I love to hate you(see I love to hate you boy)
But I got to let you know(let you know)
I'm a have to let you go(let you go)

Love to feel the love
Love to heal from pain
Is there really a difference
Wonder who was right
Wonder who was wrong
I'm just feelin some tension
You can't compromise
We can't coincide
We should really be chillin
Cause I've wasted so much time
Love is on the line
I've made my decision

It's useless to try and work things out
Don't need all of the stress
You're not worth it
I'm tired of all the ups and downs
So goodbye I'm leavin
Made up my mind

CHORUS
See I love to love you boy(yes i do)
And I love to hate you(hate you.....)
But I got to let you know(yeah)
I'm a have to let you go(let you go)
See I love to love you boy(see I love to love you boy)
And I love to hate you(see I love to hate you boy)
But I got to let you know(let you know)
I'm a have to let you go(let you go)

It's useless to try and work things out
Don't need all of the stress
You're not worth it
I'm tired of all the ups and downs
So goodbye I'm leavin

Made up my mind

CHORUS
See I love to love you boy(yes i do)
And I love to hate you(hate you.....)
But I got to let you know(yeah)
I'm a have to let you go(let you go)
See I love to love you boy(see I love to love you boy)
And I love to hate you(see I love to hate you boy)
But I got to let you know(let you know)
I'm a have to let you go(let you go)   ((x2))
