

Kelly Rowland, Need A Little Christmas

Haul Out The Holly
Put up the tree before my spirit falls again
Fill up the stocking but deck the halls now

For we need a little christmas
right this very minute
Candles in the window
Carols at the spinet
Yes, we need a little christmas right this very minute

It hasn't snowed a single flurry
But santa dear we're in a hurry

Climb down the chimney
Turn on the brightest string of lights I've ever seen
Slice up the fruit cake
It's time we hung some tinsle on that evergreen bough

For I've grown a little leaner
Grown a little colder
Grown a little sadder
Grown a little older

And I need a little angel
Sitting on my shoulder
Need a little CHristmas now

For we need a little music
Need a little laughter
Need a little singing
Ringing through the rafter

And we need a little snappy
"Happy ever after"
Need a little Christmas now
