

Kelly Rowland, Shake It

Shake it
Make it
And move it around

Shake yo' body from side to side
Make it thin or make it wide
So shake it
Yeah,shake it

Move it
And groove it
Until it's out of bounds

Shake yo' body from side to side
Make it thin or make it wide
So shake it
Yeah,shake it

[x4]Shake
Make
So
Yeah

[x4]Shake yo' body from side to side
Make it thin or make it wide
So,shake it
Yeah,shake it
