

Kelly Rowland, Work (Put It On)

This aint gon' be easy

Tables turnin' to a situation

Now you standin' in my face like you've been patiently waitin

I'm rollin over words forget the conversation

Thinkin' maybe we can make a combination

Wanna see me lose my breath and wanna hear me moan

Better be ready, we're unable when we get along

You was talkin' confident upon the telephone

So you gotta put it in when we get it on

No turning back from this party

Put you through enough to complain

Aint no comin down from this side

My love don't nowhere the sunset

Look at what you got yourself into

Best take advantage be all that you can be

Best take advantage see all that you can see

Coz this could be your last opportunity to move me

Check it baby, get it baby, check it baby get it

Do it baby d-do it, d-do it baby get it (put it in)

Check it baby, get it baby, check it baby get it (work)

Do it baby d-do it, d-do it baby get it (go hard)

Check it baby, get it baby, check it baby get it

Do it baby d-do it, d-do it baby get it

Don't come around if you gon' let me down

You gotta get it all the way in

I wanna see you work

You lookin like you're lookin for an explanation

Use the curves in my body for your motivation

Skip the petty games no need for complication

Use those things for sure I'll reach my destination

Better leave a good impression before you hit the door

Coz you don't want you talkin bout ya been this on the low

You show it off I had to fit you in my schedule

So you better put it on when it's time to go

No turning back from this party

Put you through enough to complain

Aint no comin down from this side

My love don't nowhere the sunset

Look at what you got yourself into

Best take advantage be all that you can be

Best take advantage see all that you can see

Coz this could be your last opportunity to move me

Check it baby, get it baby, check it baby get it

Do it baby d-do it, d-do it do it (put it in)

Check it baby, get it baby, check it baby get it (work)

Do it baby d-do it, d-do it baby get it

Check it baby, get it baby, check it baby get it

Do it baby d-do it, d-do it baby get it

Don't come around if you gone let me down

You gotta get it all the way in

I wanna see you work

I aint acceptin no exuses baby

To brag about it would be useless baby

You better blow me away
Make a girl wanna stay
At your spot goin all around
It's your chance to prove
Don't forget your move
There's nothing to lose
For me

Check it baby, get it baby, check it baby get it
Do it baby d-do it, d-do it baby get it babe (put it in)
Check it baby, get it baby, check it baby get it babe(work)
Do it baby d-do it, d-do it baby get it
Check it baby, get it baby, check it baby get it
Do it baby d-do it, d-do it baby get it
Don't come around if you gone let me down
You gotta get it all the way in
I wanna see you work

Check it baby, get it baby, check it baby get it
Do it baby d-do it, d-do it baby get it
Check it baby, get it baby, check it baby get it
Do it baby d-do it, d-do it baby get it
