

# Kelly Sweet, We Are One

Didn't need to ask  
Don't know the reason  
Everything that I believe  
Is right here  
Not thinkin' 'bout tomorrow  
Couldn't catch it if I tried  
World is spinning too fast  
So I'll wait 'til it comes to me  
I am you  
You are me  
We are one  
Take me in your arms  
And flow through me  
I'll flow through you  
Steal my breath away  
'Cause I'm so moved by you  
Deeper than I ever thought  
Was possible, was possible, it's everything, oh  
Difference between me and you  
It's all in where your heart lies  
And every day's another chance  
So let's get it right  
I am you  
You are me  
We are one  
Take me in your arms  
And flow through me  
I'll flow through you  
Did you lose yourself out there  
Did you lose faith and give up  
Don't turn away and hide yourself  
'Cause there's a friend to make along the way  
We are the heartbeat and our souls speak  
And all the beauty I have ever dreamed  
Is right here in front of me, oh  
Is right here in front of me, oh  
I am you  
And you are me  
We are one  
Take me in your arms  
And flow through me  
I'll flow through you
