

# Kelly, Unwanted

Why am I so unwanted?  
Do I really want to know?  
You look at me and see  
Something you're ashamed to show  
Why do you stay with me?  
Why don't you just let go? Yeah

Chorus:  
You make me stay with you  
But you treat me like  
I'm not important to you  
Why don't you let me live a life?  
You coop me up in here  
Feeling so unwelcome, so unwanted! Oh

I feel so all alone  
When you leave me on my own  
You don't let me see anyone  
Except you, you, you!  
You're over protective  
Don't you trust me anymore? Cos

Chorus:  
You make me stay with you  
But you treat me like  
I'm not important to you  
Why don't you let me live a life?  
You coop me up in here  
Feeling so unwelcome, so unwanted! Oh

You lead my life  
As well as yours  
Why did I let myself in for this?  
I should have known the scores  
When you didn't let me go out without you! Why?

Chorus:  
You make me stay with you  
But you treat me like  
I'm not important to you  
Why don't you let me live a life?  
You coop me up in here  
Feeling so unwelcome, so unwanted! Oh  
You make me stay with you  
But you treat me like  
I'm not important to you  
Why don't you let me live a life?  
You coop me up in here  
Feeling so unwelcome, so unwanted! Oh
