

# Kelly Willis, Looking For Someone Like You

I&#039;ve been around from town to town I&#039;ve seen a thing or two  
I&#039;ve been across this whole wide world looking for someone like you

I was a fool when I let you go I guess I never knew  
That I would spend the rest of my days looking for someone like you

Everyday I search in vain I&#039;d do anything to have you back again  
Well you don&#039;t know what I&#039;ve been through looking for someone like you

Spent some time with other guys but that only made me blue  
Now I know how hard it is looking for someone like you

Everyday I search in vain...

I don&#039;t want to feel like this without you there&#039;s no emptiness  
I was wrong and now I see that you&#039;re the only one there is for me

[ guitar ]

So baby won&#039;t you please come home I&#039;ll do what you want me to do  
And then I&#039;ll never have to worry again about looking for someone like you

Well everyday I search in vain...  
Well everyday I search in vain...  
Looking for someone like you
