

Kelly, You're The One

Don't you realise
That I need you here
Next to me
You make me feel good
My heart goes strong
But now you've gone

Chorus:
You're the one for me
I feel it in my heart
You're the one I need
But now you've left me
You're the one for me
You make me feel good
The only one that could
But now you've left me

Now I've realised
You don't love me
Anymore
You've changed your path
Left me here all alone
Because you've gone

Chorus:
You're the one for me
I feel it in my heart
You're the one I need
But now you've left me
You're the one for me
You make me feel good
The only one that could
But now you've left me

Why did you leave me?
Why did you let me go?
I miss you so much
Why don't you love me so?

Chorus:
You're the one for me (for me)
I feel it in my heart
You're the one I need (need)
But now you've left me
You're the one for me (for me)
You make me feel good
The only one that could
But now you've left me
You make me feel good
The only one that could
But now you've left me
