

Kem, Into You

It's your voice
In my ear
It's your perfume
In the air it's your smile
And your laugh
It's the greatest feelin' that I've ever had
I'm into you girl
I get confident
Each time you call my name
I'm into you ooh girl
I guess I must admit I'm finally tuned in
I'm into you ohh girl
From your hair
To your toes
You're like sunshine
To my soul
Every move that you make
Tastes like candy
To my brain
And I'm so
In love with you
And I'm hoping you love me too
And I'm havin'
Such a lovely time
I get so excited girl you blow my mind
I'm into you girl
I get more confident
Each time you call my name
I'm into you ooh girl
I guess I must admit I'm finally tuned in
I'm into you
I got somethin' for you
And I hope you think its good
I gotta plan on pickin' you up
And givin' you all my love
I wanna give you everything
Whatever you want I'll do
Cause I'm shakin' girl
I get more confident
Each time you call my name
I'm into you ooh girl
I guess I must admit I'm finally tuned in
I'm into you ooh girl
I got no self defense I'm helpless you can have your way
I'm into you girl
I wanna give you everything
And I will do what you say
I'm into you ooh girl
Your smile, your laugh, I like your style
I'm into you ooh girl
Your heart, your soul, I can't let go
I'm into you girl
I like your vibe, the way you move
I wanna spend more time
Into you ooh girl
