

# Kem, You Are

When you are standing here with me  
I can see everything in you  
You are the light that feeds the soul oh yeah  
Girl you are everything divine  
In your love I will learn my wings to fly  
In your heart I will make my home  
Day or night I will come to you  
Here's to our love  
I do oh yeah oh girl I do  
You are half that makes me whole  
Girl you are marigolds in bloom  
Baby you are the air I breathe oh yeah  
Girl you are everything in me  
In your love I will bring my dreams to life oh  
From your heart I will never roam oh no  
Until now my weakness is all I've known  
But with your love  
I am strong oh baby girl  
I am stronger yeah [adlib]  
Oh yeah  
I'm stronger [adlib out]
