

Ken Andrews, The 23rd Boy

I know I'm not the first one
To get inside of you
Just how many were before me?
I might never know the truth
You see, I really don't mind much
If you think I'm just a toy
And I really don't give a fuck
If I'm your 23rd boy

(chorus)

"All that I know is you are mine
Tonight
And I'm gonna make sure that
You have a good time, baby
Take off all your clothes, girl"

With your long blonde locks and
Your chroma-key eyes
You know you didn't have to say much
You didn't have to try
I wanna show you my dreams
I wanna touch your sky
What do I need to tell you
To be your 23rd boy?

(chorus)

"All that I know is you are mine
Tonight
And I'm gonna make sure that
You have a good time, baby
Take off all your clothes, girl"

(guitar solo)

(chorus)

"All that I know is you are mine
Tonight
And I'm gonna make sure that
You have a good time, baby
Take off all your clothes, girl"
