

Kenan Dogulu, Shake It Up Sekerim (Eurovision

She smiled at me, said:
"Would you like it sweet and low?"
"I know a place where we can
take it nice and slow"
I know what you're thinking:
don't stop, I need that sweet thing
Telling you now this is real
Shake it up shekerim,
I know what you're feelin'
Shake it up shekerim,
I got what you're needin'
Shake it up shekerim,
tell me what you're thinkin'
Shake it up shekerim,
you're my only sweet thing
She said in a sexy lazy low key:
"Can I make it right?"
You put your trust on me,
I'll take you through the night
Don't keep me waiting,
not sure you're understanding
Just how much I crave for you
Lovey dovey, lovey dovey
all the time
I got lots of candy to make you mine
Lovey dovey, lovey dovey
all the time
I got lots of candy for you
