

Kendall Payne, How Great Is Our God

The splendor of a King, clothed in majesty
All the earth rejoice, all the earth rejoice
He wraps himself in light, and darkness tries to hide
Trembles at His voice, trembles at His voice
How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God
And age to age he stands, and time is in his hands
Beginning and the end, beginning and the end
The God head three in one, Father, Spirt, Son
Lion and the Lamb, Lion and the Lamb
How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God
How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God yeah
Here's the name above all names, and his worthy of all praise
And my heart will sing how great is our God
Here's the name above all names, and his worthy of all praise
And my heart will sing how great is our God
How great is our God, won't you sing with me
How great is our God, and all will see
How great, how great is our God
Here's the name above all names, and his worthy of all praise
So my heart will sing how great is our God
How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God
