

Kendall Payne, That's Why There's Grace

I know you feel forgotten
I know you feel confused
I know your hopes been shattered
I know your solitude
You cant find the reasons to believe anymore
Dont hide your thoughts from me
Thats why I died, thats why I live
I know every part of you that you wont forgive
Thats why I try to reach you today
I know that its hard to have faith through the pain
Thats why theres grace, thats why theres grace.
I know the days are dark now
I know the fear runs deep
I know there is redemption
I know one day you'll make peace
You cant fight the feelings, they are wearing your down
Dont hide your shame from me
Thats why I died, thats why I live
I know every part of you that you wont forgive
Thats why I try to reach you today
I know that its hard to have faith through the pain
Thats why theres grace, thats why theres grace
Thats why theres grace, thats why theres grace
Amazing grace how sweet the sound I once was lost but now Im found
I once was blind but now I see amazing grace has rescued me
Amazing grace how sweet the sound I once was lost but now Im found
I once was blind but now I see amazing grace has reached to me
Amazing grace how sweet the sound I once was lost but now Im found
I once was blind now I see amazing grace has covered me, its covered me
Thats why I died, thats why I live
I know every part of you that you wont forgive
Thats why I try to reach you today
I know that its hard to have faith through the pain
Thats why theres grace, thats why theres grace
