

# Kendra Smith, Judge Not

Judge Not speak hardly at all love and  
Act for that is your  
Will abandon fruits of the work  
Every action offering  
Initiate to be transformed  
Indicates Regeneration  
Judge not speak hardly at all love and  
Act for that is your  
Will self-conquest failures and Disappointment and renewal  
Abandon fruit of the work indicates regeneration  
She said I have two perfect words  
Perfect love and perfect trust  
Know them truly if you please  
Disregard them if you must
