

Kendrick Lamar, luther - feat. SZA

If this world were mine

Hey, Roman numeral seven, bae, drop it like it's hot
If this world was mine, I'd take your dreams and make 'em multiply
If this world was mine, I'd take your enemies in front of God
Introduce 'em to that light, hit them strictly with that fire
Fah-fah, fah-fah-fah, fah-fah, fah
Hey, Roman numeral seven, bae, drop it like it's hot
If this world was mine, I'd take your dreams and make 'em multiply
If this world was mine, I'd take your enemies in front of God
Introduce 'em to that light, hit them strictly with that fire
It's a vibe, do your dance, let 'em watch
She a fan, he a flop, they just wanna kumbaya, nah

In this world, concrete flowers grow
Heartache, she only doin' what she know
Weekends, get it poppin' on the low
Better days comin' for sure
If this world were—
If it was up to me
I wouldn't give these nobodies no sympathy
I'd take away the pain, I'd give you everything
I just wanna see you win, wanna see
If this world were mine

It go in (When you), out (Ride it), do it real slow (Slide)
Baby, you a star, strike, pose
When I'm (When you), with you (With me), everything goes (Slow)
Come and (Put that), put that (On my), on my (Titi), soul (Soul)
'Rari (Red), crown (Stack), wrist (Stay), froze (Really)
Drip (Tell me), pound (If you), on the way home (Love me)

In this world, concrete flowers grow
Heartache, she only doin' what she know
Weekends, get it poppin' on the low
Better days comin' for sure
If this world were—
If it was up to me
I wouldn't give these nobodies no sympathy
I'd take away the pain, I'd give you everything
I just wanna see you win, wanna see
If this world were mine

I can't lie
I trust you, I love you, I won't waste your time
I turn it off just so I can turn you on
I'ma make you say it loud
I'm not even trippin', I won't stress you out
I might even settle down for you, I'ma show you I'm a pro
I'ma take my take my time and turn it off
Just so I can turn you on, baby
Weekends, get it poppin' on the low
Better days comin' for sure

I know you're comin' for
Better days
If this world were mine
