

# Kendrick Lamar, Not Like Us (Drake diss)

Psst, I see dead people  
(Mustard on the beat, ho)

Ayy, Mustard on the beat, ho  
Deebo, any rap nigga, he a free throw  
Man down, call an amberlamps, tell him, "Breathe, bro"  
Nail a nigga to the cross, he walk around like Teezo  
What's up with these jabroni-ass niggas tryna see Compton?  
The industry can hate me, fuck 'em all and they mama  
How many opps you really got? I mean, it's too many options  
I'm finna pass on this body, I'm John Stockton

Beat your ass and hide the Bible if God watchin'  
Sometimes you gotta pop out and show niggas  
Certified boogeyman, I'm the one that up the score with 'em  
Walk him down, whole time I know he got some ho in him  
Pole on him, extort shit, bully, Death Row on him  
Say, Drake, I hear you like 'em young  
You better not ever go to cell block one  
To any bitch that talk to him and they in love  
Just make sure you hide your lil' sister from him  
They tell me Chubbs the only one that get your hand-me-downs  
And Party at the party, playin' with his nose now  
And Baka got a weird case, why is he around?  
Certified Lover Boy? Certified pedophiles  
Wop, wop, wop, wop, wop, Dot, fuck 'em up  
Wop, wop, wop, wop, wop, I'ma do my stuff  
Why you trollin' like a bitch? Ain't you tired?  
Tryna strike a chord and it's probably A-Minor

They not like us, they not like us, they not like us  
They not like us, they not like us, they not like us

You think the Bay gon' let you disrespect Pac, nigga?  
I think that Oakland show gon' be your last stop, nigga  
Did Cole foul, I don't know why you still pretendin'  
What is the owl? Bird niggas and bird bitches, go  
The audience not dumb  
Shape the stories how you want, hey, Drake, they're not slow  
Rabbit hole is still deep, I can go further, I promise  
Ain't that somethin'? B-Rad stands for bitch  
And you Malibu most wanted  
Ain't no law, boy, you ballboy, fetch Gatorade or somethin'  
Since 2009, I had this bitch jumpin'  
You niggas'll get a wedgie, be flipped over your boxers  
What OVO for? The "Other Vaginal Option"? Pussy  
Nigga better straighten they posture, got famous all up in Compton  
Might write this with a doctrine, tell the pop star, "Quit hidin'"  
Fuck a caption, want action, no accident, and I'm hands-on  
He fuck around, get polished  
Fucked on Wayne girl while he was in jail, that's connivin'  
Then get his face tatted like a bitch apologizin'  
I'm glad DeRoz' came home, y'all didn't deserve him neither  
From Alondra down to Central, nigga better not speak on Serena  
And your home boy need subpoena, that predator move in flocks  
That name gotta be registered and placed on neighborhood watch  
I lean on you niggas like another line of Wock'  
Yeah, it's all eyes on me, and I'ma send it up to Pac, ayy  
Put the wrong label on me, I'ma get 'em dropped, ayy  
Sweet Chin Music, and I won't pass the aux, ayy  
How many stocks do I really have in stock? Ayy  
One, two, three, four, five, plus five, ayy  
Devil is a lie, he a 69 God, ayy  
Freaky-ass niggas need to stay they ass inside, ayy

Roll they ass up like a fresh pack of 'za, ayy  
City is back up, it's a must, we outside, ayy

They not like us, they not like us, they not like us  
They not like us, they not like us, they not like us

Once upon a time, all of us was in chains  
Homie still doubled down callin' us some slaves  
Atlanta was the Mecca, buildin' railroads and trains  
Bear with me for a second, let me put y'all on game  
The settlers was usin' town folk to make 'em richer  
Fast-forward, 2024, you got the same agenda  
You run to Atlanta when you need a check balance  
Let me break it down for you, this the real nigga challenge  
You called Future when you didn't see the club (Ayy, what?)  
Lil Baby helped you get your lingo up (What?)  
21 gave you false street cred  
Thug made you feel like you a slime in your head (Ayy, what?)  
Quavo said you can be from Northside (What?)  
2 Chainz say you good, but he lied  
You run to Atlanta when you need a few dollars  
No, you not a colleague, you a fuckin' colonizer  
The family matter, and the truth of the matter  
It was God's plan to show y'all the liar

Mm  
Mm-mm  
He a fan, he a fan, he a fan (Mm)  
He a fan, he a fan, he a—  
Freaky-ass nigga, he a 69 God  
Freaky-ass nigga, he a 69 God  
Hey, hey, hey, hey, run for your life  
Hey, hey, hey, hey, run for your life  
Freaky-ass nigga, he a 69 God  
Freaky-ass nigga, he a 69 God  
Hey, hey, hey, hey, run for your life  
Hey, hey, hey, hey, run for your life  
Let me hear you say, "OV-ho" (OV-ho)  
Say, "OV-ho" (OV-ho)  
Then step this way, step that way  
Then step this way, step that way

Are you my friend?  
Are we locked in?  
Then step this way, step that way  
Then step this way, step that way
