

# Kenna, Yenek Ababa

take me for the rose I am  
lay yourself in my bed again  
showered and covered in petals of red  
are you lonely?  
are you lonely?  
blame me for the thorns, my friend  
does the pain outweigh the blessing?  
showered and covered in petals of red  
are you lonely?  
are you lonely?

whoaaaaa...  
(go slow)  
whoaaaaa...  
(and I will cover you)  
whoaaaaa...  
(go slow)  
but you left me high and wild  
but you left me high...

whoaaaaa...  
(go slow)  
whoaaaaa...  
(and I will cover you)  
whoaaaaa...  
(go slow)  
but you left me high and wild  
but you left me high and wild  
see, you left me high...

take me for the rose I am  
lay yourself in my bed again  
showered and covered in petals of red
