

# Kenny Chesney, Beer In Mexico

Starin' out into the wild blue yonder  
So many thoughts to sit and ponder  
'Bout life and love and lack of  
And this emptiness in my heart

Too old to be wild and free still  
Too young to be over the hill  
Should I try to grow up  
But who knows where to start

So I just ...  
Sit right here and have another beer in Mexico  
Do my best to waste another day  
Sit right here and have another beer in Mexico  
Let the warm air melt these blues away

Sun comes up and sun sinks down  
And I seen 'em both in this tourist town  
Up for days in a rage  
Just tryin' to search my soul

From the answers and the reasons why  
I'm at these crossroads in my life  
And I really don't know  
Which way to go

So I just ...  
Sit right here and have another beer in Mexico  
Do my best to waste another day  
Sit right here and have another beer in Mexico  
Let the warm air melt these blues away

Maybe I'll settle down, get married  
Or stay single and stay free  
Which road I travel  
Is still a mystery to me

So I'll just ...  
Sit right here, have another beer in Mexico  
Do my best to waste another day  
Sit right here and have another beer in Mexico  
Let the warm air melt these blues away

Down in Mexico ...
