

# Kenny Chesney, Grandpa Told Me So

If you don't get in the water you're never gonna learn to swim  
He said a snake is just as scared of you as you are of him  
He could tell by the moon when the fish would bite  
Seems there was nothing that he didn't know  
And as a kid I believed 'cause Grandpa told me so

He talked Daddy into letting me have my first car  
I thought I was really something 'til Becky Thompson broke my heart  
That first taste of love nearly did me in  
Getting over her slow  
And I knew someday I would 'cause Grandpa told me so

He said life is made for you to live  
The best love is the love that you give  
There'll be times when you wanna hold on but you gotta let go  
And I live by those words 'cause Grandpa told me so

I promised him I wouldn't cry when it was his time to leave  
That's the only promise I made him I couldn't keep  
He smiled from his bed and said we'll meet again  
Somewhere down the road  
And I believe 'cause Grandpa told me so

He said life is made for you to live  
The best love is the love that you give  
There'll be times when you wanna hold on but you gotta let go  
And I live by those words 'cause Grandpa told me so

He said life is made for you to live  
The best love is the love that you give  
There'll be times when you wanna hold on but you gotta let go  
And I live by those words 'cause Grandpa told me so

Yeah and I still believe  
Grandpa told me so  
Grandpa told me so  
I still believe  
Grandpa told me so  
I still believe
