

Kenny Chesney, Just Put A Ribbon In Your Hair

Bobby wants a 10-speed, an English racer
Jenny wants that fuzzy teddy-bear
Now your asking me
What I'd like from Santa, for Christmas this year
There's alot of things, girl you could buy for me
But they wouldn't mean as much, as you standing by that tree

Just put a ribbon in your hair, darlin'
You'll be the best gift anywhere
Christmas Mornin'
There's no whorley treasure
Id like any better, than you standin' there
Just put a ribbon in your hair

(mmmm...)

Colored boxes filled, with fancy presents
They were mighty pretty sites, it's true
But all those pretty things
They just can't compare
To the beauty in you
Girl on christmas day
The greatest gift I know
Will be having you to hold
Underneath the mistle toe

Just put a ribbon in your hair, darlin'
You'll be the best gift anywhere
Christmas Mornin'
There's no whorley treasure
Id like any better, than you standin' there
Just put a ribbon in your hair
Just put a ribbon in your hair

(oohhh baby)
