Gonna take you all the way to Paris, Tennessee

Got good tires and a good CB  
Put on some lipstick your mascara  
'Cause we're goin' all the way to Paris, Tennessee

Baby I adore you  
And don't say I've never done nothin' for you  
Girl, that just ain't true

Here we go....

Baby I adore you  
And don't say I've never done nothin' for you  
Girl, that just ain't true

We might not see no Eiffel Tower  
But I got a cousin that I want you to meet  
He can pick the wildwood flower
