

Kenny Chesney, She Don't Know She's Beautiful

We go out to a party some where
the moment we walk in the door,
People stop and everybody stares,
she don't know what they're starin for

Chorus

She don't know she's beautiful
(Never crossed her mind)
She don't know she's beautiful
(No she's not that kind)
She don't know she's beautiful
(though time and time I've told her so)

There she goes just walkin down the street,
and someone lets a whistle out.
A girl like her, she just can't see,
What the fuss is all about.

Chorus

And she don't know she's beautiful
(Never crossed her mind)
She don't know she's beautiful
(No she's not that kind)
She don't know she's beautiful
(though time and time I've told her so)

Mornin' comes and her hair's all a mess,
that's when she thinks she looks the worst.
It's times like this she don't know why,
I can't take my eyes off her.

Chorus

She don't know she's beautiful
(Never crossed her mind)
She don't know she's beautiful
(No she's not that kind)
She don't know she's beautiful
(though time and time I've told her so)
