

# Kenny Chesney, Simple Things

No I ain't had nothing to drink  
I knew that's probably what you'd think  
If I dropped by this time of night  
Remember way back when  
I promised you I'd drop in  
At one of those meetings down at the Y

Well, they started talkin' bout steps you take  
Mistakes you make  
The hearts you break  
And the price you pay  
I almost walked away

You could hear a pin drop  
When this old man  
Stood up and said I'm gonna' say it again  
Like I do every week  
For those who don't know me

It's the simple things in life  
Like the kids at home and a loving wife  
That you miss the most, when you lose control  
And everything you love starts to disappear  
The devil takes your hand and says no fear  
Have another shot, just one more beer  
Yah, I've been there, that's why I'm here

This ole boy stood up in the aisle  
Said he'd been living a life of denial  
And he cried as he talked about wasted years  
I couldn't believe what I heard  
It was my life word for word  
And all of the sudden it was clear

It's the simple things in life  
Like the kids at home and a loving wife  
That you miss the most, when you lose control  
And everything you love starts to disappear  
The devil takes your hand and says no fear  
Have another shot, just one more beer  
Yah, I've been there, that's why I'm here

I know for us it may be too late  
But it would mean the world to me  
If you were there when I stand to say  
It's the simple things in life  
Like the kids at home and a loving wife  
That you miss the most, when you lose control  
And everything you love starts to disappear  
The devil takes your hand and says no fear  
Have another shot, just one more beer  
Yah, I've been there, that's why I'm here  
Oh, I've been there, that's why I'm here
