

# Kenny Chesney, The Good Stuff

Well, me an' my lady had our first big fight,  
So I drove around 'til I saw the neon light.  
A corner bar, an it just seemed right.  
So I pulled up.

Not a soul around but the old bar keep,  
Down at the end an' looking half asleep.  
An he walked up, an' said : &quot;What'll it be?&quot;  
I said: &quot;The good stuff.&quot;

He didn't reach around for the whiskey;  
He didn't pour me a beer.  
His blue eyes kinda went misty,  
He said: &quot;You can't find that here.

&quot;'Cos it's the first long kiss on a second date.  
&quot;Momma's all worried when you get home late.  
&quot;And droppin' the ring in the spaghetti plate,  
&quot;'Cos your hands are shakin' so much.  
&quot;An' it's the way that she looks with the rice in her hair.  
&quot;Eatin' burtn suppers the whole first year  
&quot;An' askin' for seconds to keep her from tearin' up.  
&quot;Yeah, man, that's the good stuff.&quot;

He grabbed a carton of milk an' her poured a glass.  
An' I smiled an' said: &quot;I'll have some of that.&quot;  
We sat there an' talked as an hour passed,  
Like old friends.

I saw a black an' white picture an' it caught my stare,  
It was a pretty girl with bouffant hair.  
He said: &quot;That's my Bonnie,  
&quot;Taken 'bout a year after we were wed.&quot;

He said &quot;Spent five years in the bar,  
&quot;When the cancer took her from me.  
&quot;But I've been sober three years now,  
&quot;'Cos the one thing stronger than the whiskey:

&quot;Was the sight of her holdin' my baby girl.  
&quot;The way she adored that string of pearls,  
&quot;I gave her the day that our youngest boy, Earl,  
&quot;Married his high school love.&quot;  
&quot;An' it's a new tee-shirt saying: 'I'm a Grandpa'.  
&quot;Bein' right there as our time got small,  
&quot;An' holdin' her hand, when the Good Lord called her up,  
&quot;Yeah, man, that's the good stuff.&quot;

He said: &quot;When you get home, she'll start to cry.  
&quot;When she says: 'I'm sorry,' say: 'So am I.'  
&quot;An' look into those eyes, so deep in love,  
&quot;An' drink it up.  
&quot;'Cos that's the good stuff.  
&quot;That's the good stuff.
