

Kenny Chesney, Turn For The Worse

There's a fork in the road on my way home
Temptation waits: wine, women, and song
Lord, my will breaks where that road bends
And tonight I took a turn for the worse again.

Chorus:

Left was home and right was wrong
And you can bet by now she knows which road I'm on
It's a road I know like the back of my hand
But tonight I took a turn for the worse again.

--- Instrumental ---

My old truck pulls a little to the right
Seems to get a lot worse on Friday night
Things are bad at home, Lord, I'm sick of work
So tonight I took a turn for the worse.

Chorus:

Left was home and right was wrong
And you can bet by now she knows which road I'm on
It's a road I know like the back of my hand
But tonight I took a turn for the worse again.

Lord, tonight I took a turn for the worse again...
