

Kenny Chesney, Turn For The Worst

There's a fork in the road

On my way home

Temptation waits: wine, women, and song

Lord my will breaks

Where that road bends

And tonight I took a turn for the worse again

Chorus:

Left was home

Right was wrong

And you can bet by now she knows which road I'm on

It's a road I know like the back of my hand

But tonight I took a turn for the worse again

My old truck

Pulls a little to the right

Seems to get a lot worse on Friday night

Things are bad at home

Lord I'm sick of work

So tonight I took a turn for the worse

Repeat chorus

Lord tonight I took a turn for the worse again
